Total IB ROP		449.10	

# **PRIORITY AXIS 3 - Supporting the transition towards a low carbon economy**

**Investment Priority 3.1 A: Supporting the Energy Efficiency of  
Residential Buildings**

**CALL 2**

**Call launched on: July 27, 2016:**

**Period for submitting projects: August 28, 2017 - February 28,  
2018**

**Value allocated for the Bucharest-Ilfov region: 70.04 million  
Euro**

# Investment Priority 3.1 A: Supporting the Energy Efficiency of Residential Buildings

## Types of eligible works

- thermal rehabilitation of the envelope
- thermal rehabilitation of the heating system / hot water supply system
- installing alternative systems for producing renewable energy
- other activities that lead to energy efficiency

**Potential beneficiaries: Territorial and Administrative Divisions (UAT)**

**Project's total eligible value:**

**Minimum eligible value: EUR 100,000**

**Maximum eligible value: EUR 5 million**

# **Investment Priority 3.1 B: Supporting the Energy Efficiency of Public Buildings**

**CALL 1**

**Call launched on: December 28, 2016:**

**Period for submitting projects: February 28, 2017 - October  
4, 2017**

**Value allocated for the Bucharest-Ilfov region: EUR 35.74  
million**

# Investment Priority 3.1 B

## Types of eligible works

- thermal rehabilitation of the building's envelope
- thermal rehabilitation of the heating system / hot water supply system
- installing alternative systems for producing electricity and/or thermal energy for own consumption
- installing / rehabilitating / modernizing the air conditioning system, natural and mechanical ventilation in order to ensure the indoor air quality
- rehabilitation / modernization of the buildings lighting installation

**Potential beneficiaries: central public authorities, local public authorities, prefect's institution, partnerships between the entities listed above**

## Investment Priority 3.1.B

### Applicant's financial contribution

- » **local public authorities and institutions** - at least 2% of the total eligible expenditures
- » **central public authorities** - at least 20% of the total eligible expenditures

**Plus all the non-eligible expenditures**

### Project's total eligible value:

**Minimum eligible value: EUR 100,000**

**Maximum eligible value: EUR 25 million**

**Using the exchange rate of 4.5172 RON/EUR**

## **Investment Priority 3.1.C: Improving the Energy Efficiency in the Public Lighting Sector**

**The guideline was under public consultation during the May 2-16, 2017 period**

### **Type of activities**

- replacing the filament public lighting systems with lamps having high energy efficiency;
- acquiring/installing telemanagement systems for public lighting;
- expanding the public lighting system to urban localities

## Investment Priority 3.1.C

### Eligible applicants:

- » Administrative and Territorial Division (UAT) from the urban areas
- » UAT of the Municipality of Bucharest

### Project's total eligible value:

- » Minimum eligible value: **EUR 100,000**
- » Maximum eligible value: **EUR 1,500,000**

# **Specific objective 3.2: Reducing the carbon emissions in the urban area based on sustainable urban mobility plans**

**Call launched on: July 20, 2017**

**Period for submitting projects : September 20, 2017 -  
March 20, 2018**

**Value allocated for the Bucharest-Ilfov Region: EUR  
136.64 million**

## Specific objective 3.2:

### Types of activities:

- A. Investments designed to improve the urban public transportation
- B. Investments designed for electric and non-motorized transportation
- C. Other investments designed for reducing the CO2 emissions in the urban areas

**Eligible applicants:** Partnerships between the administrative and territorial divisions of the eligible cities/municipalities and the administrative and territorial divisions of communes and which fulfill the condition on territorial vicinity and/or the districts of the Municipality of Bucharest

**In what concerns the Bucharest-Ilfov region, the Partnership Leader will be represented by the Municipality of Bucharest**

## Specific objective 3.2:

**Minimum eligible value: EUR 500,000**

**Maximum eligible value:**

- » **EUR 5 million** for the cities/municipalities with a population of less than 20,000 inhabitants;
- » **EUR 10 million** for the cities/municipalities with a population of more than 20,000 inhabitants;
- » **EUR 40 million** for the Municipality of Bucharest (as an exception)

**PRIORITY AXIS 5 - IMPROVING THE URBAN ENVIRONMENT AND  
PRESERVATION, PROTECTION AND SUSTAINABLE CAPITALIZATION  
OF THE CULTURAL HERITAGE**

**Investment Priority 5.1: Preservation, Protection, Promotion  
and Development of the Natural and Cultural Heritage**

**CALL 2**

**Call launched on: July 12, 2017**

**Period for submitting projects: July 27, 2017 -  
November 27, 2017**

**Value allocated for the Bucharest-Ilfov region: EUR  
20.24 million**

# Investment Priority 5.1:

## Types of activities:

- restoration, consolidation, protection and preservation of the historical monuments;
- restoration, protection, preservation and production of indoor paintings, frescoes, outdoor murals ;
- restoration and remodeling of the facades' plastic art elements;
- interior endowments (installations, equipment and endowments necessary in order to meet the air-conditioning, fire safety and anti-theft conditions);
