PROSME Consortium

PROSME services provide the enterprises with a framework for adopting new business models, and include:

- advisory services on sustainability, innovation, digitalization or access to European funding programmes, including programmes for research and development, and innovation;
- assistance in identifying European and international business partners or to develop projects;
- training and information activities;
- support for SMEs in expressing their opinions under the European policy-making process.

Enterprise Europe Network - Helping companies innovate and grow internationally

The Enterprise Europe Network helps businesses innovate and grow on an international scale. It is the world's largest support network for small and medium-sized enterprises (SMEs) with international ambitions.

A screenshot of the EU Funding & Tenders portal. At the top, there's a navigation bar with links for "SEARCH FUNDING & TENDERS", "HOW TO PARTICIPATE", "PROJECTS & RESULTS", "WORK AS AN EXPERT", and "SUPPORT". Below the navigation, a sidebar on the left shows a filter for "Horizon Europe (HORIZON)" with a "Clear filter" button. The main content area has two sections: "Grants" and "Procurement". The "Grants" section includes a message about reference documents for programmes managed on the EU Funding & Tenders portal, a "Please select the programme to see the reference documents" message, and a list of document types: Legislation, Work programme & call documents, Grant agreements and contracts, Simplified cost decisions, Guidance, Templates & forms, Experts lists, and Funding & Tenders Portal. The "Grant agreements and contracts" item is highlighted with a dark background. The "Procurement" section includes a message about reference documents for tendering opportunities published on TED eTendering.
